PROFILE

A passionate video editor and motion graphics artist with a keen interest in CGI and visual effects. Enthralled by the art of creating and visualizing CGI elements to bring imaginative concepts into the real world, I am actively learning and advancing my skills in this domain. With 1 year of experience in video editing, motion graphics, and SFX, I possess a strong foundation in crafting engaging and visually appealing content. Dedicated to mastering CGI and pushing creative boundaries, I am committed to delivering high-quality results that align with modern trends and audience expectations.
